

We're excited to return to the Embassy Suites Hotel & Conference Center in Plainfield, Indiana, on September 27-28, 2025, for the 36th Health Freedom Expo. In addition to this live Expo, our virtual Expo will premiere in January 2026, providing worldwide accessibility to valuable health and wellness information.

At the Trinity Health Freedom Expo, we believe that individuals should have the right to know and the freedom to choose what's best for their health, family, and community. My father, the Expo founder Dr. Wendell Whitman, made this our mission, and we're proud to continue his vision. Our Expo provides a platform for individuals to come together and learn from natural health experts and health freedom advocates, plus experience innovative health products.

We have several sponsorship opportunities that facilitate our efforts to promote health freedom and feature your company in recognition of your support.
